**RENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE THE NOTICE OF ALLOWANCE
UNDER 37 CFR 1.181**

MS Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

In response to the Decision on Petition Under 37 C.F.R. 1.181 mailed May 5, 2006 in the above-identified patent application, Applicants hereby request that the holding of abandonment be withdrawn.

This request is accompanied by a Petition to Withdraw Holding of Abandonment based on a Failure to Receive the Notice of Allowance Under 37 CFR 1.181, a signed Statement of Mark Vatuone, a signed Statement of Kacia Lee, an Exhibit 1 of a copy of an email sent by Kacia Lee on March 14, 2006, and an Exhibit 2 of screen-print taken from an electronic docketing system, Foundation IP, on March 14, 2006.

Applicants believe that the renewed petition to withdraw the holding of abandonment for the present application is now appropriate under 37. C.F.R. 1.181, and that action is respectfully requested.

It is Applicants' understanding that no fee is required for a renewed petition to withdraw a holding of abandonment. (See MPEP 711.03(c)), and therefore no fee is enclosed. However, if a fee is required, please charge it to Deposit Account No. 19-0743.

Included with the original Petition to Withdraw Holding of Abandonment filed on April 11, 2006 was an Issue Fee Transmittal (1 pg.), including authorization to charge the Deposit Account No. 19-0743 in the amount of \$1409.00 to pay the Issue Fee and 3 advance copies. Applicants discussed the matter in a telephone conversation with a

representative of the Office of Petitions who indicated the Issue Fee for the present application has already been paid responsive to receipt of the above mentioned Issue Fee Transmittal. Applicants request that the paid Issue Fee be applied to the present application responsive to a decision to grant the present renewed petition

The Examiner is invited to telephone Applicant's attorney at 408-278-4046 to facilitate the prosecution of this application. If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,

PAUL C. ROGERS ET AL.

In response to the Decision on Petition Under 37 C.F.R. 1.181 mailed May 5, 2006 in the above-identified patent application, Applicants hereby request that the holding of abandonment be withdrawn.

This request is accompanied by a signed Statement of Mark Vatuone, a signed Statement of Kacia Lee, an Exhibit 1 of a copy of an email sent by Kacia Lee on March 14, 2006, and an Exhibit 2 of screen-print taken from an electronic docketing system, Foundation IP, on March 14, 2006.

Abandonment per Examiner Olisa Anwah for the above-identified patent application took place when Applicants failed to pay the Issue Fee due on February 23, 2006 required by the Notice of Allowance allegedly mailed on November 23, 2005.

Applicants had not received the Notice of Allowance as of March 14, 2006 as attested to by the signed statement of the practitioner assigned to the above mentioned application, Mark Vatuone and the Workflow and Process Coordinator for the law firm prosecuting the above mentioned Application, Kacia Lee. Further, the signed statement of Mark Vatuone attests to the fact that a search of the file jacket and docket records indicated that the Notice of Allowance had not been received as of March 14, 2006.

Applicants respectfully request the withdrawal of the holding of abandonment based on the proffered signed statements of Mark Vatuone, Kacia Lee, and the screen-print of the electronic document attached hereto.

It is Applicants' understanding that no fee is required for a petition to withdraw a holding of abandonment. (See MPEP 711.03(c)), and therefore no fee is enclosed. However, if a fee is required, please charge it to Deposit Account No. 19-0743.

WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 CFR 1.181**

MS Petition

I, Mark Vatuone, hereby state that I am the practitioner assigned to the
Application No. 09/360,719 (hereinafter Application).

I became aware that a Notice of Allowance for the Application had been allegedly
mailed by the USPTO and not received by our law firm when I received an email
(Exhibit 1) from a paralegal assistant, Kacia Lee, on Tuesday March 14, 2006. Kacia also
took a screen-print of the docket for the Application (Exhibit 2) from Foundation IP (FIP)
on the same day and attached the screen-print to the email (See Exhibit 1, "FIP screen-
print.pdf").

The screen-print (Exhibit 2) was taken off an electronic docketing system,
Foundation IP, which includes the electronic docketing records used by attorneys,
paralegals, paralegal assistants, and others at SLWK to manage cases at SLWK. The
"Serial #" of the Application may be found on the left top third part of the screen-print
and is 09/360,719. The screen-print does not include a Notice of Allowance activity and
includes all of the activities for the Application that had been docketed by SLWK as of
3/14/2006. Accordingly, the screen-print is strong evidence that SLWK had not received
a Notice of Allowance for the Application as of 3/14/2006.

I also searched the file jacket for the Application and did not find a Notice of
Allowance marked with a received date by the Portfolio IP Department before March 14,
2006 or a Notice of Allowance marked with a received date by the Case Management
Group before March 14, 2006. This is also strong evidence that SLWK did not receive a
Notice of Allowance for the Application prior to March 14, 2006 because, as a matter of
routine business practice, all communications from the USPTO are date-stamped by the
Portfolio IP (PIP) Department on the date on which they are received. Further, as a matter
of routine business practice, the PIP Department sends the stamped communication to the
Case Management Group (CMG) which also date stamps the communication on the date

on which the communication is received and enters the communication into the file jacket.

Based on the above described search of the electronic docket records, file jacket, and email, I conclude that the Notice of Allowance for the Application was not received or discovered by SLWK until 3/14/2006.

I Kacia Lee, hereby state that I am the Workflow and Process Coordinator for the law firm that is prosecuting the Application No. 09/360,719 (hereinafter Application).

On March 14, 2006 I was running reports that required me to access the USPTO PAIR facility and unexpectedly noticed that a Notice of Allowance for the Application was mailed on 11/23/2005 that we had never received. I downloaded the Notice of Allowance (NOA) from PAIR and took a screen-print of the electronic docket records for the Application from Foundation IP, our electronic docketing system. Next, I drafted an email, a copy of which is included with this statement as Exhibit 1, attached the NOA (see "09360719.pdf" on Exhibit 1) to the email, attached the screen-print (see "FIP screen-print.pdf" on Exhibit 1) to the email, and sent the email to Dawn Shaw, Mark Vatuone, Andre Marais and Nancy Cournoyer.

Dawn & Mark,

I just stumbled upon this case, 2046.086US4, and it looks like a Notice of Allowance was mailed on 11/23/05 but we never received it! We're past the 3-month date for paying the issue fee at this point. I'm attaching a copy of the NoA that I downloaded from PAIR—please note that this has NOT been sent to PIP for processing. You will want to make sure that it gets entered and you will probably need to file a Petition to Withdraw Holding of Abandonment.
